The Power of Giving Contest has been a great success! We received entries from one end of the country to the other. The stories the children shared were inspiring and truly reflect the message "there are many ways to give." What a pleasure it has been interviewing the winners. Not only were they excited to win they were thrilled to be able to announce the charities they had so thoughtfully chosen. We are delighted to share the winning stories with you.

We send a big thank you to all those who took the time to write their stories and enter the contest. Your stories reflect a generosity of spirit, a willingness to share your time and talents to help others and to make a difference in the world.
