

Simple. Effective. Invaluable.

Teaching financial literacy to children one \$tep at a time

What do you wish you had been taught about managing money and building wealth when you were growing up?

What do you want your kids to know?

Coffee Group Workshops for Parents

Time: 1 hour

A great opportunity for parents who want to learn how they can give their kids a head start towards becoming financially successful.

We come to you! We come prepared to facilitate the discussion on this important topic of financial literacy. We provide tools, techniques and strategies that you can use right away to help you support your children to acquire the skills of managing money, building wealth and pursuing their dreams.
